

## HOMECOMING SET FOR OCT. 7-8-9

Entertainment, sports and memories will highlight homecoming activities Oct. 7-9. A Dinner-Theatre, including cocktails, dinner and a theatre production of *Bus Stop* will be held Saturday evening. Homecoming Mass will be held Sunday in Foyle Hall, followed by Brunch honoring the Classes of 1927, '52, '67.

The alumni are invited to participate in other campus activities. Friday evening the women's volleyball team hosts Northwest Missouri and William Jewell in a triangular match. A dance will be held featuring a wide variety of music from polkas to disco.

Saturday begins with a fashion show and brunch. At 1 p.m. the "gridiron gals" play powder puff football. The soccer team takes to the field at 3 for a match with Ottawa. The Avila Symphonic Stationary Marching Ensemble will perform at half-time of both games and the Royal Lichtenstein Quarter Ring Circus will perform between games.

For the second year both students and alumni have cooperated in planning the schedule. It looks like a good one and we hope you'll try to make it back to Avila for Homecoming 1977.

If you would like more information contact Gerry Sulzer, '55, Alumni Homecoming Chairperson, at 816-444-5191 or Sister Rose Anthony, Alumni Secretary, at 816-942-8400, ext. 219.

Volume IV

August, 1977

Number 6

Don Madelung, (seated), Director of Admissions and Financial Aid, confers with his admissions staff about this fall's admissions and plans for recruiting. Preliminary indications are that this will be a record freshman class. If the retention rate remains high for upperclassmen this year's enrollment will be a record for Avila. Don became director in January and put together his staff this summer. (left to right) Gary Forney joins Avila after four years of previous admissions work. Debra Rogozenski is a 1977 Avila grad with a degree in business. Debra and Gary concentrate on high school seniors and counselors across Missouri and Kansas. Teede Stipich, with past experience in sales and promotion, works with community colleges and businesses to encourage enrollment at Avila. (not shown) Margo Veatch handles the St. Louis recruiting.

## NEW FACULTY JOIN AVILA

Avila College has added eight faculty members to the staff for this academic year. (Four will be introduced in this issue, the remainder next month.)

Dr. James Anderegg received his Doctorate in Organic Chemistry in 1974 from the University of California, San Diego. Since then he has been associated with San Diego State University in a lectureship position and doing Post-Doctoral research. Jim will teach General and Organic Chemistry courses.

Dr. Rodger Parker joins the History Department after two years as an Assistant Professor at Clark University. He received his Doctorate from Wayne State University in 1975. Rodger will teach general American History courses and courses dealing with the Civil War and World War I periods.

Julia Lentz joins the Education Department to become Supervisor for Student Teachers. She has a Master of Science Degree in Special Education from Kansas University. Julia has done Post-Masters work in Special Education/Learning Disabilities, and served as a consultant in these fields. She also has elementary and high school teaching experience.

Bonnie Jack, a part-time business instructor last year moves to full time this year. Bonnie received a Master's Degree in Accounting from Kansas University in 1970. She has five years experience as a community college business instructor in Kansas City. Bonnie, a C.P.A., will teach managerial and cost accounting and a Federal Income Taxation course.

We welcome all Avila newcomers.

## Counseling Director Named

Avila College has a new Director of Counseling, Health, and Related Services. Dr. Vicky Cromwell will head the office which has responsibility for personal, vocational, and educational counseling of students as well as career counseling, health services, and the minority and women's resource centre.

Vicky received her Doctorate in Counseling Psychology in 1976 from UMKC. Last year she was a Counseling Psychologist and Assistant Professor at Central Missouri State University. Her past experience includes teaching at all levels of education, and planning, coordinating, and implementing counseling and training programs for students, parents, teachers, administrators, and business management personnel.

Vicky and her husband, Ronald, have four children ages five to seventeen, and reside in Kansas City, Missouri.

## MBA & MS AT AVILA

Avila College's Business and Education Departments are offering graduate level courses. The Business Department will offer a Master of Business Administration with a concentration in management or accounting. Planning began last fall and currently three graduate credit courses have been offered.

The Education Department's program will offer a Master of Science in Education: Exceptionality and a Master of Science in Psychology: Mental Health Studies. The department began planning during the 1973-74 year and three graduate level courses have been offered since 1975.

The programs were begun because there was a need for advance study programs in these areas.

Our condolences and prayers to Mr. Alfred J. Blasco, on the death of his brother, John, and to Mr. Richard Coleman, on the death of his father, Elbert.

## "Thank You" Picnic Held

Members of the Board of Trustees and Board of Counselors and their families were guests of the college for a picnic Sunday, July 24. Eighty people attended the afternoon Mass and picnic held to thank the board members for their generous support of the college.

## AVALANCH ATHLETICS

The volleyball and soccer teams have begun practice and are busy polishing their games for season openers. The soccer squad opens with home games on the 10th (William Jewell) and the 17th (Central Methodist). The women begin play the 20th in a triangular meet with William Jewell and Park College. The coaches, Pam Sloan and Pete Tumminia, have been busy working with their teams and getting into full swing with the Avila athletic program. Besides coaching and teaching, Pam is the Women's Athletic Coordinator, and Pete, the Men's Athletic Coordinator. We hope to see you at some games this fall.

### Avila Soccer

30	Rockhurst-Columbia*	H 630
Oct. 4	Rockhurst-Tarkio*	A 7

\* triangular meets all times P.M.

## Continuing Education Update

The Department of Continuing Education now offers a Real Estate course and it has become one of the most popular programs to date. The Pre-Licensing Course, offered in connection with the Real Estate Board of Kansas City, consists of a 1-month session (36 hours of class work) preparing the student to take the Missouri or Kansas Real Estate License Examination. Participants can also choose to earn college credit or Continuing Education Units.

Four sessions have been held since the program began in May with over 200 people having completed the course.

According to Dr. Susan Imel, Director of Continuing Education, it is hoped courses can be developed for beginning and experienced real estate agents in addition to a course for consumers. For more information about these programs contact the Continuing Education Department at Avila College, 942-8400, ext. 242.

## FINANCIAL PLANNING

As a service to alumni and friends of Avila College, the Development Office, with the assistance of the Deferred Gift Committee, will present a series of articles in the Accent on financial planning topics such as: Tax Planning, Investment Counseling, Estate Planning, and Insurance Benefits. The Development office will provide information on these topics on request. The initial article "Tax Wise Planning" will appear next month to assist you in preparing your 1977 tax return.
